

## **Statement of Intent**

To give our children the life skills that will enable them to embrace and utilise new technology in a socially responsible and safe way in order to flourish.

<b>KS1 National Curriculum Aims</b>	<b>Early Years Outcomes</b>
<p>Pupils should be taught to:</p> <ul style="list-style-type: none"><li>• understand what algorithms are, how they are implemented as programs on digital devices, and that programs execute by following precise and unambiguous instructions</li><li>• create and debug simple programs</li><li>• use logical reasoning to predict the behaviour of simple programs</li><li>• use technology purposefully to create, organise, store, manipulate and retrieve digital content</li><li>• recognise common uses of information technology beyond school</li><li>• use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.</li></ul>	<p>Personal, Social &amp; Emotional Development:</p> <ul style="list-style-type: none"><li>• Show resilience and perseverance in the face of a challenge.</li><li>• Know and talk about the different factors that support their overall health and wellbeing: - sensible amounts of 'screen time'.</li><li>• Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.</li><li>• Explain the reasons for rules, know right from wrong and try to behave accordingly.</li></ul> <p>Physical Development:</p> <ul style="list-style-type: none"><li>• Develop their small motor skills so that they can use a range of tools competently, safely and confidently.</li></ul> <p>Expressive Art and Design:</p> <ul style="list-style-type: none"><li>• Explore, use and refine a variety of artistic effects to express their ideas and feelings.</li><li>• Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.</li></ul>

**Burbage C of E Infant School  
Computing Progression Ladder**

<b>Technology in Our Lives</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge (How)</b>		
<ul style="list-style-type: none"> <li>Children can recognise purposes for using technology in school and at home.</li> </ul>	<ul style="list-style-type: none"> <li>Children can identify technology</li> <li>Children can identify a computer and its main parts</li> <li>Children can use a mouse in different ways</li> <li>Children can use a keyboard to type on a computer</li> <li>Children can use the keyboard to edit text</li> <li>Children can create rules for using technology responsibly</li> </ul>	<ul style="list-style-type: none"> <li>Children can recognise the uses and features of information technology</li> <li>Children can identify information technology in the home</li> <li>Children can identify information technology beyond school</li> <li>Children can explain how information technology benefits us</li> <li>Children can show how to use information technology safely</li> <li>Children can recognise that choices are made when using information technology</li> </ul>
<b>Substantive (Facts)</b>		
<ul style="list-style-type: none"> <li>Children are beginning to know and understand that things they create belong to them and can be shared with others using technology.</li> </ul>	<ul style="list-style-type: none"> <li>Children know how to use a mouse in different ways</li> <li>Children know how to use a keyboard to type on a computer</li> <li>Children know how to use the keyboard to edit text</li> </ul>	<ul style="list-style-type: none"> <li>Children know how to use information technology safely</li> <li>Children know how to make choices when using information technology</li> </ul>
<b>Vocabulary</b>		
Technology Share Create Internet	Information technology (IT) Computer barcode scanner/scan	Information technology (IT) computer barcode scanner/scan

<b>Multimedia</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"><li>• Children can recognise text, images when using ICT.</li><li>• Children can use a camera to collect photos</li><li>• Children can use paint programs to create pictures.</li><li>• Children can develop an interest in ICT by using age appropriate programs.</li></ul>	<ul style="list-style-type: none"><li>• Children can use a computer to write</li><li>• Children can add and remove text on a computer</li><li>• Children can identify that the look of text can be changed on a computer</li><li>• Children can make careful choices when changing text</li><li>• Children can explain why I used the tools that I chose</li><li>• Children can compare writing on a computer with writing on paper</li><li>• Children can describe what different freehand tools do</li><li>• Children can use the shape tool and the line tools</li><li>• Children can make careful choices when painting a digital picture</li><li>• Children can explain why I chose the tools I used</li><li>• Children can use a computer on their own to paint a picture</li><li>• Children can compare painting a picture on a computer and on paper</li></ul>	<ul style="list-style-type: none"><li>• Children can use a digital device to take a photograph</li><li>• Children can make choices when taking a photograph</li><li>• Children can describe what makes a good photograph</li><li>• Children can decide how photographs can be improved</li><li>• Children can use tools to change an image</li><li>• Children can recognise that photos can be changed</li><li>• Children can say how music can make us feel</li><li>• Children can identify that there are patterns in music</li><li>• Children can describe how music can be used in different ways</li><li>• Children can show how music is made from a series of notes</li><li>• Children can create music for a purpose</li><li>• Children can review and refine our computer work</li></ul>

<b>Substantive</b>		
<ul style="list-style-type: none"> <li>Children know how to use a touch-screen to rearrange objects and pictures on a screen.</li> </ul>	<ul style="list-style-type: none"> <li>Children know how to use a computer on their own to paint a picture</li> </ul>	<ul style="list-style-type: none"> <li>Children know how music can make them feel</li> <li>Children are beginning to know how music is made from a series of notes</li> <li>Children know how to review and refine our computer work</li> </ul>
<b>Vocabulary</b>		
Screen Mouse Images Keyboard Paint	Word processor, keyboard, mouse, keys, letters, numbers, space, backspace, text cursor, Microsoft Word, capital letters, toolbar, bold, italic, underline, select, font, undo, paint program, tool, paintbrush, erase, fill, primary colours, shape tools, line tool, fill tool, undo tool, feelings, brush style, Pointillism, brush size, Pictures, painting, computers, like, prefer, dislike  Henri Matisse, Piet Mondrian, Wassily Kandinsky, Georges Seurat,	Device, camera, photograph, capture, image, digital, Landscape, portrait, Framing, subject, compose, Light sources, flash, focus, background, Editing, filter, Format, framing, lighting,  Music, planets, Mars, Venus, war, peace, quiet, loud, feelings, emotions, Pattern, rhythm, pulse, Neptune, pitch, tempo, rhythm, notes, instrument, Create, emotion, pitch, pulse/beat, tempo, instrument, rhythm, notes, Open, edit

<b>Programming</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"><li>• Children can operate equipment around the school, independently operating simple equipment.</li><li>• Children can explore options and make choices with toys, software</li></ul>	<ul style="list-style-type: none"><li>• Children can explain what a given command will do</li><li>• Children can act out a given word</li><li>• Children can combine forwards and backwards commands to make a sequence</li><li>• Children can combine four direction commands to make sequences</li><li>• Children can plan a simple program</li><li>• Children can find more than one solution to a problem</li><li>• Children can choose a command for a given purpose</li><li>• Children can show that a series of commands can be joined together</li><li>• Children can identify the effect of changing a value</li><li>• Children can explain that each sprite has its own instructions</li><li>• Children can design the parts of a project</li><li>• Children can use their algorithm to create a program</li></ul>	<ul style="list-style-type: none"><li>• Children can describe a series of instructions as a sequence</li><li>• Children can explain what happens when we change the order of instructions</li><li>• Children can use logical reasoning to predict the outcome of a program (series of commands)</li><li>• Children can explain that programming projects can have code and artwork</li><li>• Children can design an algorithm</li><li>• Children can create and debug a program that they have written</li><li>• Children can explain that a sequence of commands has a start</li><li>• Children can explain that a sequence of commands has an outcome</li><li>• Children can create a program using a given design</li><li>• Children can change a given design</li><li>• Children can create a program using their own design</li><li>• Children can decide how my project can be improved</li></ul>

**Burbage C of E Infant School  
Computing Progression Ladder**

<b>Substantive</b>		
<ul style="list-style-type: none"> <li>• Children know how to use simple software to make things happen.</li> <li>• Children know how to press buttons on a floor robot and talk about the movements.</li> </ul>	<ul style="list-style-type: none"> <li>• Children know how to act out a given word</li> <li>• Children know how to combine four direction commands to make sequences</li> <li>• Children know how to plan a simple program</li> <li>• Children know how to design the parts of a project</li> </ul>	<ul style="list-style-type: none"> <li>• Children know how to create a program using a given design</li> </ul>
<b>Vocabulary</b>		
Equipment Buttons Movement	Forwards, backwards, Left, right, turn, clear, go, commands, Plan, Route, Instructions, directions  ScratchJr, Bee-Bot, command, sprite, compare, programming, programming area, Block, joining, command, start block, run, program, programming area, background, delete, reset, algorithm, predict, Effect, change, value, block Instructions, sprite, delete, program, algorithm Sprite, background, appropriate, algorithm, Sprite, design, programming blocks, algorithm, programs	Instruction, sequence, clear, order, unambiguous, algorithm, program, Artwork, design, route, mat, Sprite, design, programming blocks, algorithm, programs  command, run, start, outcome, predict, blocks, Sprite, design, sequence, Actions, sequence, modify, change, build, match, Compare, debug, debugging, program, features, evaluate

<b>Data Handling</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge</b>		
	<ul style="list-style-type: none"><li>• Children can label objects</li><li>• Children can identify that objects can be counted</li><li>• Children can describe objects in different ways</li><li>• Children can count objects with the same properties</li><li>• Children can compare groups of objects</li><li>• Children can answer questions about groups of objects</li></ul>	<ul style="list-style-type: none"><li>• Children can recognise that we can count and compare objects using tally charts</li><li>• Children can recognise that objects can be represented as pictures</li><li>• Children can create a pictogram</li><li>• Children can select objects by attribute and make comparisons</li><li>• Children can recognise that people can be described by attributes</li><li>• Children can explain that we can present information using a computer</li></ul>
<b>Substantive</b>		
	<ul style="list-style-type: none"><li>• Children know how to label objects</li><li>• Children know how to describe objects in different ways</li></ul>	<ul style="list-style-type: none"><li>• Children know how to create a pictogram</li></ul>
<b>Vocabulary</b>		
	Object, label, group, search, image, colour, size, shape, property, value, label, colour, data set, more, less, most, least, fewest, the same	More than, less than, most, least, organise, data, object, tally chart, votes, total

## Online Safety

<b>Self-Image and Identity</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"> <li> Children can give different examples of how to say 'no' / 'please stop' / 'I'll tell' / 'I'll ask'</li> <li> Children can explain how this could be better to do in real life or online</li> </ul>	<ul style="list-style-type: none"> <li> Children can recognise that there may be people online who could make me feel sad, embarrassed or upset.</li> <li> Children can give examples of different adults they can ask for help.</li> <li> Children can recognise that there may be people online who could make them feel sad, embarrassed or upset.</li> <li> Children can give examples of different adults they can ask for help.</li> </ul>	<ul style="list-style-type: none"> <li> Children can explain how other people may look and act differently online and offline.</li> <li> Children can give examples of issues online that might make someone feel sad, worried, uncomfortable or frightened;</li> <li> Children can give examples of how they might get help.</li> </ul>
<b>Substantive</b>		
<ul style="list-style-type: none"> <li> Children know that I can say 'no' / 'please stop' / 'I'll tell' / 'I'll ask' to somebody who asks me to do something that makes me feel sad, embarrassed or upset</li> </ul>	<ul style="list-style-type: none"> <li> Children know when they should ask an adult for help with things online that upset me.</li> <li> Children know when they should ask an adult for help with things online that upset me.</li> </ul>	<ul style="list-style-type: none"> <li> Children know that people can choose different pictures online to what they look like in real life.</li> <li> Children know who they can go to for help.</li> <li> Children know how to ask for help.</li> </ul>
<b>Vocabulary</b>		

Online Relationships		
Foundation Stage	Year 1	Year 2
<b>Disciplinary Knowledge</b>		
<p>Children can name some ways that members of their family talk to each other and other people using the internet</p> <p>Children can name an app, a piece of software or a technology that they use or could use to talk to people they know</p>	<ul style="list-style-type: none"><li> Children can give examples of when they should ask permission to do something online and explain why this is important.</li><li> Children can name the people they know and how they know them, describing what they are like.</li><li> Children can describe how they might use the internet to communicate with family or close friends</li><li> Children can describe what someone might feel like if you were unkind to them</li><li> Children can describe ways in which they can try to be kind both offline and online.</li><li> Children can explain what they like and dislike and give reasons</li><li> Children can explain what they like, dislike and find funny and sad online</li><li> Children can understand that different people may have different reactions to different things online</li></ul>	<ul style="list-style-type: none"><li> Children can give examples of how someone might use technology to communicate with others they don't also know offline and explain why this might be risky. (eg. email, online gaming, a pen-pal in another school / country).</li><li> Children can describe different ways to ask for, give, or deny my permission online and can identify who can help them if they are not sure.</li><li> Children can explain why they have a right to say 'no' or 'I will have to ask someone'.</li><li> Children can explain who can help them if they feel under pressure to agree to something they are unsure about or don't want to do.</li><li> Children can explain how it may make others feel if they do not ask their permission or ignore their answers before sharing something about them online</li></ul>

Substantive		
		<ul style="list-style-type: none"><li>☐ Children know who can help them if something happens online without my consent.</li><li>☐ Children Know who they should ask before sharing things about myself or others online.</li><li>☐ Children Know why they should always ask a trusted adult before clicking 'yes', 'agree' or 'accept' online</li></ul>
Vocabulary		

Online Reputation		
Foundation Stage	Year 1	Year 2
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"><li>Children can identify ways that they can put information on the internet</li></ul>	<ul style="list-style-type: none"><li>Children can recognise that information can stay online and could be copied.</li><li>Children can name different types of personal information that can be shared (photos, text, video)</li><li>Children can name 3 adults that can help them if they are unsure about information they want to share.</li></ul>	<ul style="list-style-type: none"><li>Children can explain how information put online about someone can last for a long time.</li><li>Children can describe how anyone's online information could be seen by others.</li></ul>
<b>Substantive</b>		
Children know what the word 'information' means  Children know what 'online' means	<ul style="list-style-type: none"><li>Children know that information can be copied off the internet.</li><li>Children know that they should not share their personal information online.</li></ul>	<ul style="list-style-type: none"><li>Children know who to talk to if something has been put online without consent or if it is incorrect.</li></ul>
<b>Vocabulary</b>		

<b>Online Bullying</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"> <li>• Children can describe ways that some people can be unkind online.</li> <li>• Children can give examples of what unkind words online may make someone else feel</li> <li>• Children can understand that being unkind online can make you feel angry, upset and sad</li> </ul>	<ul style="list-style-type: none"> <li>• Children can identify behaviour that might upset others online</li> <li>• Children can recognise being kind online would make someone feel good</li> <li>• Children can recognise being unkind online would make someone feel bad</li> </ul>	<ul style="list-style-type: none"> <li>☞ Children can explain what bullying is, how people may bully others and how bullying can make someone feel.</li> <li>☞ Children can explain why anyone who experiences bullying is not to blame</li> <li>☞ Children can talk about how anyone experiencing bullying can get help.</li> </ul>
<b>Substantive</b>		
	<ul style="list-style-type: none"> <li>• Children know that certain behaviours online can upset others</li> </ul>	<ul style="list-style-type: none"> <li>☞ Children know the difference between accidental and on purpose (intentional).</li> <li>☞ Children know who they can go to if someone was bullying me</li> </ul>
<b>Vocabulary</b>		

Managing Online Information		
Foundation Stage	Year 1	Year 2
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"><li> Children can talk about how they can use the internet to find things out.</li><li> Children can identify devices they could use to access information on the internet.</li></ul>	<ul style="list-style-type: none"><li>• Children can give simple examples of how to find information (eg. search engine, voice activated searching).</li><li>• Children can use the internet to find things out</li></ul>	<ul style="list-style-type: none"><li> Children can use simple keywords in search engines</li><li> Children can explain what voice activated searching is and how it might be used, and know it is not a real person (eg. Alexa, Google Now, Siri).</li><li> Children can explain the difference between things that are imaginary, 'made up' or 'make believe' and things that are 'true' or 'real'</li><li> Children can explain why some information I find online may not be real or true.</li></ul>
<b>Substantive</b>		
<ul style="list-style-type: none"><li>•</li></ul>	<ul style="list-style-type: none"><li> Children know that we can encounter a range of things online including things we like and don't like.</li><li> Children know that we can encounter things online which are real or make believe / a joke.</li><li> Children know they can get help if they see content that makes me feel sad, uncomfortable, worried or frightened.</li><li> Children know how to get help from a trusted adult.</li></ul>	<ul style="list-style-type: none"><li> Children can demonstrate how to navigate a simple webpage to get to information they need (eg. home, forward, back buttons; links, tabs and sections).</li></ul>
<b>Vocabulary</b>		

Health, Well-being and Lifestyle		
Foundation Stage	Year 1	Year 2
<b>Disciplinary Knowledge</b>		
<p>Children can tell you the things that they are allowed/not allowed to do when using technology/the internet.</p> <p>Children can name some things that might make them happy/unhappy/angry/sad when they use technology and the internet</p> <p>Children can name at least one trusted adult who can help them stay safe when using technology/internet.</p>	<ul style="list-style-type: none"><li>Children can explain rules to keep myself safe when using technology both in and beyond the home.</li></ul>	<ul style="list-style-type: none"><li>I can explain simple guidance for using technology in different environments and settings eg. accessing online technologies in public places and the home environment.</li><li>Children can say how those rules / guides can help anyone accessing online technologies</li></ul>
<b>Substantive</b>		
<ul style="list-style-type: none"><li>Children know what to do if they are worried or unsure about something online</li></ul>		
<b>Vocabulary</b>		

<b>Privacy and Security</b>		
<b>Foundation Stage</b>	<b>Year 1</b>	<b>Year 2</b>
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"> <li>Children can name examples of their own personal information. (eg. name, address, birthday, age, location).</li> <li>Children can name people they trust and why.</li> </ul>	<ul style="list-style-type: none"> <li>Children can explain how passwords can be used to protect information, accounts and devices.</li> <li>Children can explain and give examples of what is meant by 'private' and 'keeping things private'.</li> <li>Children can describe and explain some rules for keeping personal information private (eg. creating and protecting passwords).</li> <li>Children can explain how some people may have devices in their homes connected to the internet and give examples (eg. lights, fridges, toys, televisions).</li> </ul>	<ul style="list-style-type: none"> <li> Children can explain how passwords can be used to protect information, accounts and devices.</li> <li> Children can explain and give examples of what is meant by 'private' and 'keeping things private'.</li> <li> Children can describe and explain some rules for keeping personal information private (eg. creating and protecting passwords).</li> <li> Children can explain how some people may have devices in their homes connected to the internet and give examples (eg. lights, fridges, toys, televisions).</li> </ul>
<b>Substantive</b>		
<b>Vocabulary</b>		

Copyright and Ownership		
Foundation Stage	Year 1	Year 2
<b>Disciplinary Knowledge</b>		
<ul style="list-style-type: none"><li>Children can name their work so that others know it belongs to them.</li></ul>	<ul style="list-style-type: none"><li>Children can explain why work I create using technology belongs to me</li><li>Children can say why it belongs to me (eg. 'I designed it' or 'I filmed it').</li><li>Children can save my work under a suitable title or name so that others know it belongs to me (eg. filename, name on content).</li><li>I understand that work created by others does not belong to me even if I save a copy</li></ul>	<ul style="list-style-type: none"><li> Children can recognise that content on the internet may belong to other people.</li><li> Children can describe why other people's work belongs to them</li></ul>
<b>Substantive</b>		
<ul style="list-style-type: none"><li>Children know that work they create belongs to them.</li></ul>		
<b>Vocabulary</b>
