

Remote Learning Policy

2020-2021

1. Statement of School Philosophy

Burbage C of E Infant School has always strived to support our parents and children in the best way possible to make learning purposeful and holistic. We understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed. Our strategy for remote learning continues this.

2. Aims

This Remote Education Policy aims to:

- Ensure consistency in the approach to remote learning for all pupils (including pupils with SEND) who aren't in school through the use of quality online and offline resources and teaching videos
- Provide clear expectations to members of the school community with regards to delivery of high quality remote learning
- Include continuous delivery of the school curriculum, as well as motivation and support for health and well-being, and parent support
- Consider continued provision for staff and parents (e.g. CPD, Supervision and Curriculum/Parents' Evenings)
- Support effective communication between the school and families, and support attendance

3. Who is this policy applicable to?

- A child is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.
- A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.
- The following will apply:
 - If your child is ill, please concentrate on him/her getting better. There is no expectation on completing any work.
 - If your child or another family member is waiting for a test please focus on reading, spelling and any homework set.
 - If you wait for a test stretches for more than a couple of days, or you have to self-isolate for 14 days, please contact your teacher for a work pack.
 - In the case of needing to close a bubble or going back into full lockdown, we will use Dojo to provide remote learning as before. We are currently looking at ways we can supplement this.

4. Content and Tools to Deliver This Remote Education Plan

Resources to deliver this Remote Education Plan include:

- Online tools: Class Dojo with links to Google Drive documents, moving towards the use of Microsoft Teams, as well as Zoom for staff CPD and Governor meetings.
- Use of recorded video for, in the event of full lockdown, start of week registration, instructional videos and some assemblies.
- Phone calls home
- Printed learning packs

- Physical materials such as story books and writing tools
- Use of White Rose resources, Purple Mash, BBC Bitesize, Oak Academy as well links to other sites selected by the teacher

5. Home and School Partnership

Burbage C of E Infant School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

Burbage C of E Infant School will support parents on how to use Class Dojo and Microsoft Teams as appropriate and where possible, provide personalised resources.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. Burbage C of E Infant School would recommend that each 'school day' maintains a structure.

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on a case-to-case basis.

All children sign an 'Acceptable Use Policy' at school which includes e-safety rules and this applies when children are working on computers at home.

6. Roles and responsibilities

Teachers

The responsibilities below relate to where a whole class or bubble is isolating and would be reduced when it is fewer children isolating and the majority of the class are in school.

Burbage C of E Infant School will provide a training session (led by Primary World) when we move towards using Microsoft Teams and an induction for new staff.

When providing remote learning, teachers must be available between 8:45 am – 4:00pm. If they are unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning, teachers are responsible for:

- Setting work:
 - Teachers will set work for the pupils in their class.
 - The work set should follow the usual timetable for the class had they been in school, wherever possible
 - Work will be shared via Class Dojo (moving towards Microsoft Teams)

- Providing feedback on work:
 - Reading, writing and maths work, will be marked in line with the school's current marking policy where possible (extended write marked in more detail/maths and reading to make use of self-marking strategies).
 - Curriculum tasks will be commented on at the end of the week.
- Keeping in touch with pupils who aren't in school and their parents:
 - If there is a concern around the level of engagement of a pupil, parents should be contacted via phone to assess whether school intervention can assist engagement.
 - All parent/carer emails should come through the school admin account (office@burbageinfants.org)
 - Any complaints or concerns shared by parents or pupils should follow the school's complaints policy. For any safeguarding concerns, refer immediately to one of the DSLs (Karen Allen, Claire Barwell, Louise Edwards, Charlotte Dymont).

Classroom Support Staff

Teaching assistants must be available as per their contracted hours. If they are unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

During the school day, teaching assistants must complete tasks as directed by their class teacher or members of the SLT.

Senior Leaders

Alongside any teaching responsibilities, senior leaders are responsible for:

- Co-ordinating the remote learning approach across the school including the monitoring of engagement.
- Ensuring that staff, parents and pupils adhere to the relevant policies at all times.

Appendix 1: School Code of conduct relating to the home-visits and the use of phone and online video contact with parents and pupils

Due to the Corona virus crisis currently affecting education, the use of home-visits, phone calls and online video to support contact between teachers, pupils and their families has become essential. This process needs all parties involved to commit to following a sensible set of guidance in order to keep everyone safe and secure.

Home-visits

School staff may use home-visits to deliver work or to support wellbeing of pupils and parents. Staff must notify a member of the SLT if they intend to do this. Staff will not go into the property.

Staff are more than happy to chat with pupils and their families at the front door; however, social-distancing guidelines must be adhered to.

Phone Calls

Staff may make phone calls to support with motivation and the well-being of pupils.

A log of these phone calls will be made and kept in line with the school's Data Retention Policy.

Online Video Contact

Software – At Burbage C of E Infant School we will be using Microsoft Teams for meetings.

Consent – All parents must be sent a consent form, to enable their child to join a 'Team' meeting, but also agree that the child will be in a public room in the house (living room, dining room, study, kitchen, not a bedroom) and they will also be present during all meetings.

To give consent parents will be required to complete a ParentMail form to state they agree to all terms and conditions written in this code of conduct. Verbal consent may be given and followed by ParentMail form. Consent may be withdrawn at any time.

Dress Code – All participants should be in smart casual clothing, minimum of T-shirt and shorts, **no pyjamas**.

Location – All meetings should take place in a public room in the house, in front of a plain background (parents agree to consent to say they will be in the room, not necessarily on the screen).

Groups – Parents agree that they or a responsible adult will be in the room during all meetings. There **MUST** never be any two-person only meetings; meetings will always be conducted with a minimum of three people.

Computer usage – Due to 'Teams' being a social media platform, to protect staff, pupils and comply with GDPR, staff must ensure no other documents are open during meetings as this could be compromised by hackers, school laptops must be used to host meetings with no other windows or tabs open on the device during the meeting. We recommend the parent also ensures that the meeting window is the only one open on their device.

Accounts – pupils will be provided with a Microsoft login. They can then simply join meetings when invited by staff. As with all internet usage, no personal details should be shared unless the user is 100% confident they know who they are talking to. School will always host meetings.

During meetings – During meetings the protocol will be to mute all participants and ask them to raise their hand before being unmuted. Staff may open video to all for a hello and goodbye during each meeting.

Online Safety and Acceptable Use of ClassDojo

Online communication is a fact of modern life and we are using ClassDojo to support a strong link between home and school that enhances children's school experience. As stated in the school's acceptable use policies, we expect everybody to behave in a positive manner, engaging respectfully with the school and each other, in the same way as they would face to face.

This positive behaviour can be summarised as being kind and polite and not making any posts which are or could be construed as rude, insulting, aggressive, bullying or otherwise inappropriate.

ClassDojo has been set up using parents' email addresses so that parents can use the app together with their child.

We guide parents to see this as a shared experience where they are modelling to and supporting their child in learning how to use online communication well.
