

Burbage C of E Infant School

Strategic Plan

Our theologically rooted vision:
Loving; Living; Learning

Christian Values
Friendship, Truth, Compassion, Perseverance, Respect

Behaviour & Attitudes
Provide a nurturing and inclusive environment where all children feel valued, encouraged and safe. Our Christian values will promote a positive and respectful culture.

Personal Development
We prepare learners for future success through character development and wider opportunities developing their interests and talents. Our provision ensures all groups have an appreciation of diversity and strive to become responsible, confident and resilient life-long learners.

Leadership & Management
Leadership and Management are committed to creating an inclusive and safe learning culture, underpinned by our theologically rooted Christian vision. Leaders provide highly effective professional development over time and adopt wellbeing strategies to ensure staff feel supported and empowered to provide high quality education for all.
