As a school community we are committed to upholding these duties in order to:

- Eliminate unlawful discrimination, harassment and victimisation;
- Advance equality of opportunity between different groups;
- Foster good relations between different groups.

Burbage C of E Infant School will publish a report each year outlining compliance with the Equality Act 2010.

9. Equality objectives 2023-24 – Staff (from our Equality & Diversity Policy)

- Maintain high standards and expectations of language and inclusive behaviour of all adults in the school, including visitors, in line with our vision and promoting 'British Values';
- Continue to ensure that all members of staff are familiar with the key implications of the 2010 Equality Act for the school context, such as familiarity with the 'protected characteristics' and how to respond confidently to reports of any discriminatory behaviour or bullying using the school reporting systems. We will do this through staff CPD and staff meetings;
- Provide support and training so that all staff feel comfortable in teaching about, and tackling all forms of discrimination, including those with protected characteristics (see Introduction on page 1), whether in the PSHCE and RSE curricula, as well as in their subject areas.
