1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible;
- Set out how the school will make decisions on pupil premium spending;
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school.

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2022-23\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

- To remove or minimise the barriers to learning, faced by eligible pupils, to enable them to access education and make good progress across all subject areas by supporting their needs academically, socially and emotionally;
- Decisions on pupil premium spending are informed by using evidence-based research and resources from the *Education Endowment Foundation*, alongside historical knowledge of strategies that work at Burbage Church of England Infant School;
- To address a wide range of needs, taking group and individual needs into account;
- Engaging with parents to take their views on the needs of their child into account.

Some examples of how the school may use the grant include, but are not limited to:

- Recruiting high quality, experienced teachers with proven expertise of providing quality first teaching;
- Employing learning support assistants;
- Purchasing high quality schemes, resources and books to support teaching and learning;
- Training for teachers and learning support assistants in new techniques, strategies and use of software;
- Delivering one to one and small group reading and maths tuition through the use of school-based tutors;
- Delivering regular intervention sessions/ programmes to close gaps in learning;
- Providing funding towards educational trips and residential;
- Providing ELSA provision;
- Funding sports coach activities at lunchtimes;
- Providing funding for one after school club throughout the year and music tuition;
- Funding of free school milk.

Our pupil premium strategy is available on our website
<https://www.burbageinfants.org/statutory-info.html>

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what maintained school should publish online.

5. Eligible pupils

Eligible pupils fall into the categories explained below.

It does not include pupils who receive universal infant free school meals but would not otherwise receive free lunches.

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.4 Post-looked after children
